## Tre Valli ski resort

Tre Valli ski resort consists of three parts: San Pellegrino Pass, Moena - Alpe di Lusia and Falcade, it belongs to The Dolomiti Superski Area and offers over 100 km of perfectly prepared ski trails (altitude 1100 m - 2500 m). Tre Valli is one of the widest, most exciting and best equipped ski areas in the Dolomites. There are 27 lifts, a programmed artificial snowing network which is one of the best in Europe, able to cover 100% of slopes.

Take in the breathtaking views of the Trentino and Veneto Dolomites: the Pale di San Martino Group, the Monzoni, the Catinaccio and the Marmolada. "A Tour full of Emotion" is a great day trip on your skis which, thanks to an efficient connecting system of runs and lifts, can be done in a day. Make Tre Valli your choice and you will not regret it for a moment - a winter jewel where modern style combines with the magic of yesterday to give you an experience to remember.

**Moena - Alpe di Lusia** - a very modern ski center with 8 new ski lifts and 40 km ski runs.

**Passo San Pellegrino** - the most beautiful pass in Dolomites with a magical landscape. It is connected to Moena thanks to an efficient ski bus service. At Passo you find 11 ski lifts and the ski runs are served with an artificial snow system if necessary. The cableway "Col Margherita" leads directly to Falcade.

Falcade ski area is famous for its stunning and fascinating landscape. It has 7 ski lifts and, like the whole Tre Valli ski area, provides slopes with different difficulty levels. Tre Valli ski resort offers also 40 km of cross-country ski trails.

**Falcade town** is a well known quiet and charming tourist resort of the Dolomites. Located between the Focobon peaks, the Pale of S. Martino, Mulaz, the Marmolada, the Cime d'Auta and the Pelmo and Civetta. It is the main town in the Biois Valley. For the après- ski: bars, ski bar, live music and charming cafès liven up the winter evenings. You can also find there ski-hire shops, art and craft shops, an art museum, taxis, cinema, banks, post office and most facilities that you may require.

**Falcade-Molino** is the starting point for the lifts which transport the skier into 100 km of the Treval- li Ski-Area slopes. Right from the town, the modern four-seater chair-lift takes you to LE BUSE, a plain which is sun-soaked from morning to night. From there, it's up to you: ski down, go up to Col Margherita at 2500m, try out the first slopes at the Falcade Skiing School's Camp, get a sun- tan on the terrace of the mountain lodge... There are 30 hotels from 4 stars to Bed and Breakfast, apartments, a wellness center, excellent food and great hospitality.

There are free ski bus transfers to Alleghe - Civetta ski area and Malga Ciapela -Marmolada, Sella Ronda.

The Falcade Cross Country centre offers a very interesting trail as it is ideal for beginners on the flat circuit and excellent for experts on the more technically demanding trail. Cross country ski instructors are available throughout the season, the trails are located in the centre of town.

Just a few kilometers from Falcade, Canale d'Agordo offers more cross-country tracks in its Cross country center Val Gares, which also hosts professional competitions at national level. 5 km of intermediate difficulty rings. Snowshoes rental is available.
